REPORT OF SEMINARS/ WEBINARS

SESSION-2020-21

AFFILIATED TO RAMADEVI WOMEN'S UNIVERSITY, BHUBANESWAR, ODISHA

WEBSITE: www.npmmnayagarh.org

INTRODUCTION:

A seminar is a meeting held for the exchange of useful information by members of educational system. A webinar is an interactive seminar conducted via the World Wide Web. It is a gathering of learners for the purpose of discussing a stated topic. Such gatherings are usually interactive sessions where the participants engage in discussions about the delineated topic.

Seminars are extremely significant in the lives of students. It is beneficial to students since they enable them to evaluate, stay up to date on current events, comprehend concepts and build their work. Seminars play a crucial role in the development of a student's personality and help them in their career by creating new ideas, encouraging discussion, getting new perspectives, enhancing their abilities, networking, scope for exploration and aids in developing cognitive skills. The Resource persons and faculties of institution take interest in conducting seminars for their students. Inviting eminent personalities who have achieved some feat in their respective disciplines to take some seminars for the students greatly help them interact with the present and ongoing advancements in the different areas.

The teachers can always take seminars to their students. It is the old way of teaching. But making students take seminars on the subject topics would always help them more to understand the subject. This would give them a chance to collect more information about the seminar topic they are provided with. The result is that they would learn the subject well. They can improve their language by taking seminars they will become very able to interact with the people which will turn out to be useful in their later life.

The seminars in our institution are mostly subject-oriented. The topics focus on women empowerment, women-related concerns, ethics and moral values, current issues, interdisciplinary theme, spiritualism etc.
