1. Alumni Feedback Analysis and Report

NPMM Alumni Association started in the year 2020. The aim was to provide a platform for students who have graduated from this college to stay in touch with each other and their alma mater. Students are the heart and soul of the College. We treasure all our students – current ones as well as the alumni. Our alumni are a source of our pride.

Feedback from students allows the institute to evaluate how its service provision is viewed by its one of the most important stakeholders i.e. students.

The feedback analysis process has put an increasing emphasis on the need for improvement of students in the quality assurance of higher education. Alumni involvement requires that students act as collaborators in, rather than merely passive receivers of teaching and learning. The feedback forms were sent to the alumni in the last week of April. This circulation of feedback forms and collection of filled feedback forms was done by the IQAC.

Objectives of Alumni's feedback on institute:

Alumni's feedback has three main objectives:

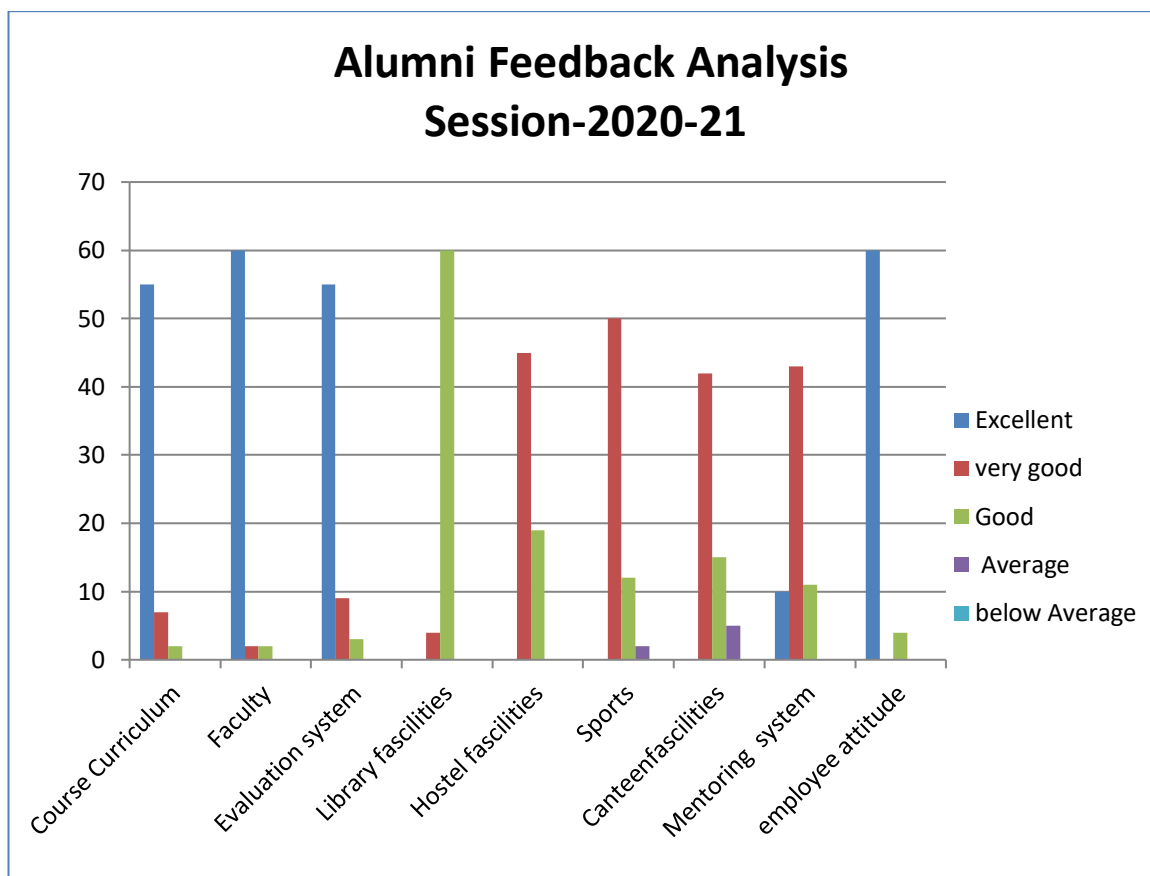

1. To enhance the quality of education provided by the college towards the students
2. To understand if any other facilities and infrastructure are required for the better learning of students.
3. To understand our drawbacks so that we can improvise on it with innovative ideas.

Focus on the Alumni Feedback Form:

The alumni's feedback questionnaire focused on the following area :

2. REPORT OF PARENTS FEEDBACK ANALYSIS

This institute was established with the mission of providing relevant education with equal opportunities using the best of the technology in the area of education so as to guide, promote talent, enhance potential and encourage students to follow their dreams by helping them become successful professionals.

Parents have entrusted the future of their children into our hands and thus they play a very important role in the development and enhancement of the quality of this learning experience. Feedback from parents allows the institute to evaluate its service provision and thus cater to providing excellent service towards the students.

The feedback analysis process has put an increasing emphasis on the need for involvement of parents in the quality assurance of excellent education. Parent's involvement requires that they play an active role in participating for the holistic development of their children. Likewise every year at the end of the semester in the month of April, feedback forms are distributed to the parents of undergraduate students. This circulation, distribution of feedback forms and collection of filled feedback forms was done by the IQAC department.

Objectives of parent's feedback on institute:

Parent's feedback has three main objectives:

1. To provide parents the opportunity to comment on the quality of their ward's learning experience, as required in preparation for and as part of review process.
