Criterion-7 Institutional values and best practices

Key Indicator-7.1 Institutional values and Social Responsibilities

Metric No.7.1.1

Gender Equity

Gender Equality prevents violence against women's and girls. Societies that values woman and man as equal are safer and healthier. Gender equality is a human right . Keeping in view the above are instauration organises so many gender equity programmes in this year .As this year the pandemic has affected the entire World and also ruined the Education system, it has affected the mental health of the students also. At this juncture we have conducted some gender equity and spiritual, human values and ethics programmes to sensitize students as to how to manage the intense sadness.

COMMON ROOM:

The purpose of common room is to create an environment for healthy, recreation, and promote social interaction among the students. This is a space that has been designed to give students a place to relax, study and spend their leisure time.

Students play some indoor games during their leisure time in the Girl's common room.

SAFETY AND SECURITY :

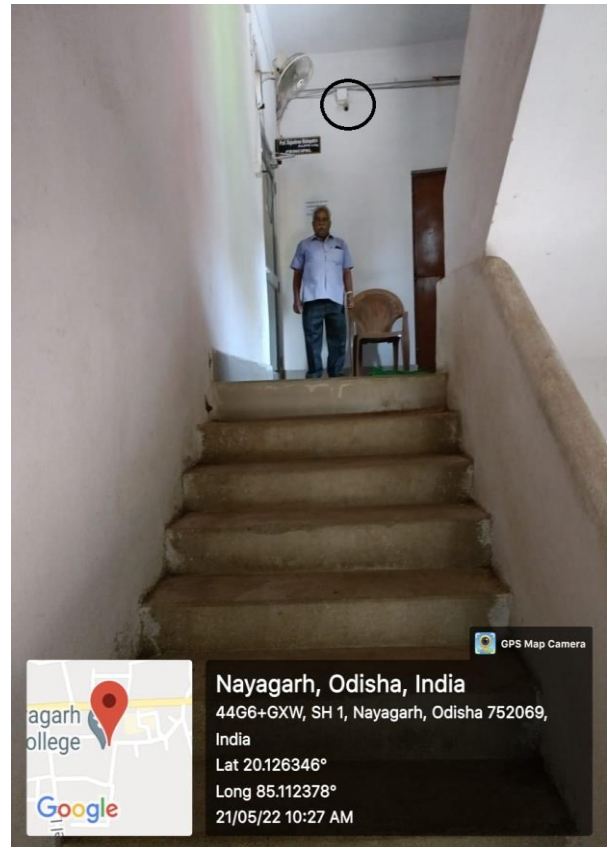

Safety and security is a major part of an institution. Our college always under the surveillance of CCTV. Our institution is a ragging free campus which creates a safe environment and makes sure that students feel comfortable and safe to do as they please without any fear.

The security man at the main gate always remains alert and vigilant. Every entrant puts a signature in the register kept with him and also mentions the purpose of coming to college.

CCTV cameras are installed inside & outside the class room, corridor, Principal's Office, Examination Section, Laborotories, Library, Main gate, Conference Hall.
